To Whom It May Concern:

The League of United Latin American Citizens (LULAC) is in the process of planning its 21<sup>st</sup> Annual Youth Leadership Conference and Career Fair. For the past 20 years, LULAC has made the prevention of dropouts as a high priority for all volunteer efforts in Arizona. This year's conference theme, ***“Education is the Key to Success: Today's Youth Defining Tomorrow”***. The Conference and Career Fair will be held at Pima Community College West Campus, 2202 W. Anklam Road on **Monday, March 15<sup>th</sup>, 2010** and **Tuesday, March 16<sup>th</sup>, 2010** from **8:00A.M. to 12:00 P.M.**

The Career Fair is a unique component of the leadership conference and is developed through community input that the LULAC Youth Leadership Conference Planning Committee has utilized to outline this year's occupational categories to be represented at the Fair. Many of the youth attending the conference are preparing for the future and your experience and knowledge will be invaluable in assisting them with their educational preparation for the world of work.

This letter is to invite you to participate in this year's Career Fair. Your responsibilities would include: speaking informally with students about your occupation; educational background; salary range, and the viability of future career opportunities in Tucson and Pima County. Most important you will have the opportunity to stress to the students the importance of graduating from high school and how higher education, can only lead to greater success.

*We encourage your organization/company to reserve your booth as soon as possible, as it will be on a first come first serve basis. Booth cost is \$50.00. (Table and chairs will be provided).*

We wish to acknowledge and extend our appreciation to those who have given generously to the efforts of LULAC. To assist your organization, the following applies: organization(s) donating monetarily or in-kind in the amount of \$500.00 and up, will receive a booth at no additional cost.
